

Radford News

• Available Apartments:

BCR still has available apartments for the upcoming months. Call us to schedule a tour today!

- **Need Roommates?** If you are still looking for a place to live next year or for a short term living option over the summer we do have a sublet list and a roommate list available on our website under Resident Information.

Moving Out Early?

If you plan to move out before your lease ends, here are a couple reminders...

- Please remember to let the office know when you vacate.
- Turn in your door and mailbox key.
- Fill out your security deposit refund form. This tells us where you want your security deposit sent to. You can get the form from BCR or online at:
bcrrealestate.net

Just a Reminder

- If you plan on leaving your apartment during the summer for more than 7 days please remember to contact BCR.
- Secure your residence by locking all doors and windows.
- Throw out any food in your refrigerator that may spoil while you are away. DO NOT turn off the refrigerator.
- DO NOT turn off any of the breakers in your breaker box!

Congratulations Grads!

BCR would like to wish all of our graduates the best of luck! We are very proud of your accomplishment and know that your futures will be bright.

Thanks for being great residents!
